

Navigating the Ben Avery Shooting Facility

The Ben Avery Shooting Facility is located on the north side of Carefree Highway just west of Interstate 17 at Exit 223.

Once inside the facility, proceed up the drive toward the building and range that has been booked for your class (see the map above, please feel free to print it for your convenience). Classes are typically booked at the Practical Pistol Building and Ranges, but that is subject to change according to availability.

If you are unsure of where your class is located, please contact us ...
